

Terens Beket • Terence Beckett

BREEAM & Key Sustainability Issues Shaping New and Emerging Global Markets

Dan 2 • Day 2 / 24. februar • February 24th
Belexpocentar, Novi Beograd

Prezentacija Terensa Beketa o BREEAM protokolu sertifikacije zelenih zgrada baviće se ključnim temama održivosti koje oblikuju nova i rastuća tržišta, prateći načine na koji se standardi uklapaju u ovaj kontekst.

Fokus će biti na opštem pregledu rešenja koje BREEAM ima za oblikovanje i transformaciju tržišta: agenda lokalnog pristupa, razvoj standarda za održivu građenu sredinu, iskustva sa tržišta gde su ova rešenja već sprovedena, životni vek zgrade u BREEAM protokolu.

Takođe, biće predstavljen i širi uticaj BREEAM standarda na građevinsku industriju, na koji način doprinosi izgradnji boljih zgrada i unapređenju društveno odgovornog poslovanja.

O Terensu Beketu

Beket se pridružio BRE-u kao specijalizovani trener za BREEAM International, i danas je Menadžer za edukaciju i događaje u BREEAM-u.

Terens upravlja timom trenera koji sprovode BREEAM obuku širom sveta i sarađuje sa lokalnim predstavnicima u cilju njihove obuke kao BREEAM trenera.

Trenutno je angažovan na redizajniranju portofolija BREEAM kurseva, kao i na projektu za uspostavljanje dodatnih alata BREEAM standarda, kao što je nova kvalifikacija za New BREEAM AP International.

BRE – Building Research Establishment
BREEAM – BRE Environmental Assessment Method
AP – Accredited Professional

Beckett's presentation will address the key sustainability issues shaping new and emerging global markets:

- how rating tools fit into this context in general following on to how BREEAM through it's localism agenda and the code for the sustainable built environment can assist in shaping the market to by driving market transformation
- how BREEAM have already done this in other markets and life cycles of a building that BREEAM addresses
- how BREEAM relates to the market in both the construction industry by helping them to produce good buildings and corporate businesses in trying to achieve their CSR commitments.

About Terence Beckett

Terence joined BRE as a BREEAM trainer specialising in BREEAM International and is now the Training and Events Manager for BREEAM.

He continues to drive development of BREEAM and it's progression throughout the world by managing team of trainers who are delivering world class assessor training courses in many global locations. He is working closely with emerging National scheme operators to develop their training opportunities in their local markets. In addition Terence is developing the skill sets within the group around presenting and developing personal strategies on internal and external interactions.

He is continually working on redesigning the BREEAM portfolio of courses as well as project managing a suite of additional sustainability products which includes the New BREEAM AP International qualification.

Terence joined BRE 3 years ago from a long term senior training role in a UK based retailer with an annual turnover of £75 Million. He spent the early stages of his career in customer facing roles within the retail environment before specialising in training and mentoring in the retail arena to all competencies and positions. Qualified to CIPD standards Terence has designed, developed and delivered complex courses to all levels.
